Devon & Cornwall Housing offers its residents wishing to pursue excellence the opportunity to apply for an award of up to £250... just read below what residents say who have received an award:

Thank you for your support of my daughter's dance education. Since applying for the grant she has taken her Intermediate Foundation vocational exam and passed with distinction. She has also passed the audition to dance in the pantomime at the Northcott Theatre.

The award has enabled me to attend an outward bound course in Ullswater which has built up my confidence and self esteem and improved my team working skills, thank you.

I have already used the camera to record artwork as evidence for my interviews. I am confident that having this equipment will benefit my art practice and career.

My Cache level 3 course is going very well, I have attended a course for inclusive play and am attending a course covering child protection. The play scheme on the estate has been very popular and already plans are underway for the summer holidays, thank you for your support.
