

Working for us

We are a diverse, dynamic and expanding housing group. We provide housing, support and regeneration services across Devon and Cornwall, making a huge difference to individuals, families and communities. With 19,000 homes and a staff team of over 700, we are a leading organisation in a fast-changing sector.

Working for companies within Devon & Cornwall Housing group, you can make a real difference to people's lives while also enjoying some of the most rewarding career opportunities in the area. You will be part of a supportive network of colleagues, with access to learning and development opportunities across all areas of your work.

See below for details of current vacancies across our group.
