

Looking ahead 2008-2012

How we plan to achieve our vision of better homes, better places, better lives

Looking ahead 2008-12 is the first time we have brought together all the plans of Devon & Cornwall Housing group, including Tor Homes, Penwith Housing Association and Devon & Cornwall Housing Association.

It sets out how we plan to achieve our vision of better homes, better places, better lives, and it is built around our four aims of:

- providing affordable high quality services and homes
- supporting and developing our staff and managing our resources effectively
- including and involving our customers, partners and other stakeholders
- becoming a more environmentally responsible organisation.
